RESOLUTION NO. <sup>05-96</sup> ~~1~~\_\_\_\_

### **RESOLUTION REQUESTING A PUBLIC ROAD EASEMENT FROM THE BUREAU OF LAND MANAGEMENT (BLM) IN SECTION 20, TOWNSHIP 12 NORTH, RANGE 23 EAST**

**WHEREAS**, local citizens living around Section 20, Township 12 North, Range 23 East, have requested that Navajo County petition and secure a public road access across said Section 20; and

**WHEREAS**, the logical place for road access to the north, along the joint section line of Section 19 and 20, is not built due to extreme hilly terrain and rock-outcroppings which makes road construction almost impossible; and

**WHEREAS**, such a new road easement would allow for the safe and proper travel across the northwest area of Section 20 by those people living north of this section; and

**WHEREAS**, representatives from BLM have inspected the proposed road easement and concur that Navajo County should request such easement on behalf of the local citizens for the use by the travelling public; and

**WHEREAS**, the granting of such road easement to Navajo County does not commit road maintenance to be accomplished, but simply serves to legalize the current use of this roadway by the local travelling public.

**NOW, THEREFORE, BE IT RESOLVED**, that Navajo County hereby makes application for a public road easement in the northwest quadrant of Section 20, Township 12 North, Range 23 East;

**BE IT THEREFORE RESOLVED**, that the Board of Supervisors hereby appoints Chuck Williams, County Engineer, to carry forth with the necessary document(s) coordination, etc., to affect such action required to obtain this road easement.

ADOPTED this 22nd day of January, 1996.
